M/Y SK A New Vision of Elegance at Sea

When M/Y SK first touched the Adriatic, she did not simply arrive she embodied a new vision of elegance at sea. At 33 metres in length with a beam of 7.68 metres, this Custom Line Navetta 33 is a testament to Italian craftsmanship, where sophistication and comfort unite.

SK is not just designed to cruise, but to reimagine the art of yachting in Croatia an intimate blend of style, serenity, and discovery.

THE SUNDECK SANCTUARY

SK's expansive sundeck becomes a sanctuary in motion, where panoramic views of the Adriatic unfold with every horizon. At its heart, a Jacuzzi invites relaxation beneath open skies, seamlessly blending indulgence with serenity. Surrounding lounge areas and shaded dining transform this elevated deck into a versatile retreat equally suited for sunlit gatherings, quiet escapes, or evenings under the stars. Here, alfresco living is not an afterthought, but the defining experience.

Inside SK, sophistication unfolds through contemporary lines, warm textures, and a design that invites the Adriatic into every space. Expansive windows bathe the salon and dining areas in natural light, framing the sea as a living backdrop.
