# DOUBLE HAPPINESS

60 POWER ECO

# DOUBLE HAPPINESS

## A New Standard of Quiet Luxury

---

Double Happiness represents a refined vision of modern luxury yachting. Built as a Sunreef 60 Power Eco she blends elegant design generous space and silent efficiency into a calm and contemporary experience at sea.

Her presence is confident yet understated moving with smooth quiet assurance. Designed for owners who value beauty sustainability and serenity she offers a timeless way to enjoy life on the water.

# A NEW ERA OF QUIET LUXURY

---

When Sunreef introduced the Power Eco concept, it reshaped expectations of contemporary yachting by merging advanced technology with refined living. DOUBLE HAPPINESS is a pure expression of this vision. More than a yacht she is a statement of balance where sustainability comfort and design exist in natural harmony.

Her elegant profile and wide proportions create an immediate sense of space and calm. Expansive glazing seamless indoor outdoor flow and carefully curated materials give her a villa like atmosphere on the water. Every line reflects clarity and intention offering a composed confident presence that feels both modern and timeless.

## LIVING WITHOUT BOUNDARIES

---

Inside, DOUBLE HAPPINESS is defined by openness light and fluidity. The main deck unfolds as a generous living space where salon dining and navigation areas connect naturally without visual barriers. Panoramic windows invite the sea inside allowing light and horizon to become part of everyday life on board.

At the core of her interior concept is the idea of effortless living. Spaces feel calm welcoming and intelligently designed with a contemporary residential atmosphere. Soft tones refined materials and clean lines work together to create an environment that feels authentic serene and perfectly balanced. Every detail has been considered to enhance comfort and quiet enjoyment at sea.

# ENGINEERED FOR EFFORTLESS CRUISING

---

DOUBLE HAPPINESS is driven by advanced electric propulsion and solar technology creating a smooth quiet and highly efficient cruising experience. Her movement through the water feels composed and refined reflecting a new approach to performance where innovation enhances comfort and peace on board.

Below deck four elegantly appointed cabins welcome up to eight guests in complete privacy. The generous master suite offers exceptional volume natural light and a calm residential feel mirroring the refined atmosphere found throughout the yacht. Every space has been designed to support relaxed living with a sense of balance and understated luxury.

## A NEW WAY TO EXPERIENCE THE SEA

---

Perhaps the most distinctive element of DOUBLE HAPPINESS is her expansive aft platform. Designed as a true sea level terrace this space transforms daily life on board into a continuous connection with the ocean. It invites swimming sunbathing and effortless access to water toys while framing uninterrupted views of the horizon.

This area perfectly expresses her philosophy of modern luxury. Not defined by excess but by closeness to the sea the light and the present moment. It is where thoughtful design and nature come together creating a calm immersive experience that feels both natural and refined.

# AN AWARD WINNING ICON PROVEN BY THE OCEAN

---

For those who step aboard, DOUBLE HAPPINESS is more than a yacht. She represents a modern way of living shaped by balance innovation and intelligent design. Quietly advanced and beautifully composed she stands as an award winning expression of contemporary luxury yachting.

She is for those who value substance as much as style. A Yacht Style Award winner and the only Sunreef 60 Power Eco to have crossed the Atlantic twice she proves that true luxury lies in capability reliability and calm confidence at sea. In silent cruising open horizons and long passages defined by freedom and light she offers an experience that feels purposeful refined and enduring.

---
- Colour **Diamond Black**

---
- Cabins **4**

---
- Guests **8**

## DIMENSIONS

- Length **18.30m**

---
- Beam **10.67m**

---

## SPEED & RANGE

- Cruising speed **8Kn**

---
- Maximum speed **12Kn**

---
- Cruise Range **5000nm**

# GENERAL

---

## CONSTRUCTION

• Builder	<b>Sunreef Yachts</b>
• Hull	<b>GRP</b>
• Superstructure	<b>GRP</b>
• Category	<b>A</b>
• Gross Tonnage	<b>60GT</b>

## TANK CAPACITIES

• Fuel	<b>2x 5000l</b>
• Water	<b>800l</b>

# MODEL VERSION

---

## **Custom layout:**

- Large master cabin in the hull
- Galley in the hull
- 3 guest cabins
- 2 crew cabins with separate entrance

## **Structure and hull finishing:**

- Hulls, deck, flybridge and all structural bulkheads made of E-glass sandwich laminate in infusion technology.
- Hull external osmosis protection provided by vinylester resin

## **Bimini:**

- Composite hard top bimini on the flybridge with skylights and integrated lights

# MAIN MACHINERY, PROPULSION AND MANEUVERING EQUIPMENT

---

## **Propulsion plant**

- 2 x stainless steel propeller shafts
- 2 x Fixed pitch propellers (4 blade) with rope cutters
- 2 x Main propulsion electric motors 120 kW each
- Control station on flybridge (with set of propulsion and speed control panels with levers)
- Control station in saloon (with set of propulsion and speed control panels with levers)

## **Rudders and steering system**

- 2 x Rudders bronze
- 2 x Rudder stocks (aluminium alloy)
- 2 x Sets of self-aligning lower and top bearings
- 2 x Emergency tillers
- Hydraulic steering system

## **Manoeuvring equipment upgrade**

- 2 x Bow thrusters (intermittent operations)

# DECK EQUIPMENT

---

## **Anchor equipment**

- Windlass 2300W, 24V
- Anchor chain (diameter 13 mm DIN / 80 m length / galvanized)
- Galvanized anchor 66 kg CQR
- Emergency anchor 20 kg + 20 m rope
- Chain counter on flybridge navigation station

## **Mooring equipment**

- Mooring kit (8 fenders + 4 mooring ropes)

## **Towing equipment**

- Towing line (50 m)

# INTERIOR

---

## **Floor covering**

- Vinyl floor in saloon and cabins
- Decorative rug/carpet in saloon
- Carpets in Cabins
- Teak floor in saloon, stairs
- Lucerna freestanding lamps for saloon

## **Walls and ceiling finishing**

- Interior upholstered wall and ceiling panels in skai (rectangular shape panels)

## **Furnitures and interior outfitting**

- Mat painted countertops in the cabins
- Interior wall and ceiling panels, sofas, headboards and beds in skai (artificial leather) or easy-clean fabrics
- Furniture and all interior panels made of individually selected wood of category A with mat polyurethane varnish (Wenge, Grey Oak, Bleached oak (white), Anegre)

# INTERIOR

---

## Bathrooms

- Bathroom equipment (per bathroom): 1 towel rail, 2 hangers, 1 toilet brush, toilet paper holder depends on layout
- Bathrooms walls to be finished with glossy gelcoat + one wall with sintered quartz
- Accessories from makers Tres, Quick Marine, Standard Tupai, Stella, Teka
- Accessories with black finishing

## Guest cabins

- Saloon-according to layout: one (1) fixed dinning table, one (1) sofa, one (1) coffee table, one (1) chair under navigation console
- Owner's cabin: one (1) storage with shelves, one (1) storage with hangers, two (2) night shelves, one (1) bed 180 x 200 cm
- Guest cabins: storage, two (2) night shelves, one (1) bed 160 x 200 cm
- Wall in the cabin with mirrors
- 1 (one) Safe in master cabin

# INTERIOR

---

## **Crew cabins**

- Crew cabin: storage, night table, bunk bed
- Fitted forepeak Port Side-Comfort: double bed and bathroom with composite painted wall
- Fitted forepeak Starboard Side-Comfort: single bed and bathroom with composite painted wall
- Fitted forepeaks with Air Conditioning

## **Curtains and blinds**

- Curtains and backdrops for entrance door (manual operated)
- Manual operated roman blinds in cabins
- Electrically operated recessed blinds (plisse) in saloon

# INTERIOR

---

## **Galley and house hold appliances**

- Galley and house hold appliances as listed - (Siemens or Bosch)
- Refrigerator with freezer
- Dishwasher
- Electric oven
- Cooker with hood
- One (1) Washing machine and One (1) Dryer – Miele
- Wine cooler for 32 bottles mounted in saloon

# EXTERIOR

---

## External Doors

- Sliding door from cockpit to saloon (manual operated) -  
Stainless steel frames
- Fore pantograph doors (saloon to fore open deck)

## Windows

- Fixed windows (tinted glass) on Main Deck
- Fixed portlights (Lewmar)
- Fixed skylights (saloon fore area)
- Window wiper for nav station (SB) with spray down system

## Windshields

- Bimini windshield - transparent canvas only for the front
- Bimini windshield - transparent canvas for 3 more sides

## External hull painting system

- Antifouling (with Epoxy primer)
- Flybridge in lacquer
- Side of hulls lacquered - metalized colour

## Deck covering

- Cockpit and skirts floor covered with teak
- Deck covered with teak and installed flush hatches
- Flybridge covered with teak
- Hydraulic platform covered with teak

# EXTERIOR

---

## Open decks furniture

- All outside upholstery and cushions made of synthetic fabric (Sunbrella)
- Flybridge sunpad area (aft)
- Multifunctional full-size rest-lounge with foldable backrest (main deck aft)
- Main deck sunpad area (fore)
- Fixed sofa and table acc. to layout (main deck fore)
- Fixed sofa and table acc. to layout (flybridge) (only for version with no jacuzzi)
- Flybridge cushions and mattresses
- Cockpit and front deck mattresses
- Decorative pillows (25 pcs)
- Bar module in cockpit
- Sink with retractable faucet for the bar module
- Ice maker for the bar module
- Low fridge for the bar module
- Bar module on flybridge
- Sink with retractable faucet for the bar module
- Ice maker for the bar module
- Low fridge for the bar module
- Electric Stainless Steel BBQ
- Covers for open deck equipment
- Cover kit for Navigation station, Flybridge tables)

# PIPING SYSTEMS

---

## Fuel System

- 2 x Fuel oil tanks 5000 l each
- Petrol canister compartment

## Bilge System

- 4x Electrical bilge pumps
- 2 x Manual bilge pumps
- Piping and valves for bilge pumping
- Bilge pumps in forepeak (one per each)

## Fresh Water

- Fresh water tank with electronic readout level indicators (volume 800 l)
- Fresh water pressurizing pump
- 2 x Fresh water heaters (80 l capacity each)
- Fresh water inlet (Connection between the boat's water network and the shore water supply)
- Hand shower on deck
- Shower head on the cockpit ceiling with mixing valve
- Second hand shower in the cockpit
- Additional sink with filtered water in saloon

# PIPING SYSTEMS

---

## **Fresh Water Generation**

- Watermaker 2 x 300l/h - 230V (Eco Systems - energy saving)

## **Deck Wash System**

- Pressurized fresh water outlet on cockpit (female quick-coupling snap connector)
- Fresh water outlet for washing the deck
- Fresh water outlet in the cockpit
- Retractable hose (5mb) in chain locker for chain wash
- Additional water outlet

## **Sanitary Drains System**

- Blackwater tanks 500l
- Electric Sewage discharge pump
- Electric toilets 24V in bathrooms with fresh water flush
- Grey water tank 800 l with electric pump for discharge with complete piping installation

## **HVAC System**

- Air conditioning system - capacity 140 000 BTU/h (new technology ultra efficient – Energy Saving)

# ELECTRICAL SYSTEM

---

## AC distribution system

- Main Switchboard AC 230V @ 50 Hz, 1 phase
- Inverters Charger for main battery bank (18 kW) [Power input from shore: 220V to 400V 3 phase AC @ 45 -63 Hz] [For input from shore below 320V AC -charger output limited to 9 Kw]
- Shore connection power cord twenty (20) m long, three wire type
- 230V @ 50 Hz sockets: three (3) socket per cabin, four (4) in Saloon, four (4) in Dining Area, four (4) in Galley
- USB charging sockets: two (2) per each cabin and two (2) for Saloon

## Inverters and battery chargers

- 3x Induction chargers for smartphones and tablets
- 6x External power socket
- ECO: Slave master pack controller
- ECO: Backup sea water pump

## DC distribution system

- Main Switchboard 25.6V DC
- DC distribution system and wiring
- DC-DC charger for 24V battery bank
- Lithium battery banks (25.6V DC / 14,0 kWh)
- Sets of starting batteries for gensets
- Chargers for Genset starting batteries (one per each engine room)

# ELECTRICAL SYSTEM

---

## **Power Management System**

- 10" display (basic PMS functions: alarms and system overview for HV Battery Banks and Main Electric Motors)

## **Automation system**

- Automation system (Domotic) with following functions shall be installed
- Lighting with dimming
- Navigation lights
- Control of valves and pumps of black water

## **Measurement:**

- Tank level monitoring with alarm: fresh water, black water, fuel
- Battery and charger monitoring with alarm: starter / main batteries bank / emergency batteries (if installed)
- Measurement of temperature in the engine room

# LIGHTS

---

## Lighting system

- Interior lighting with LED lamps
- Lights in the engine rooms
- Domotic smart system controlling lights (including dimmers for ceiling lights)
- Exterior lighting package – under lighting of fixed furniture on flybridge and cockpit - LED stripe in white; cockpit ceiling two LED stripes surrounding in white; LED white stripes on skirts, bimini LED stripe surrounding in white
- 10x Underwater lights LED
- 10x Secret lights

# NAVIGATION EQUIPMENT

---

- Navigation lights with LED lamps
- Position lights LED
- Compass (size 135mm)
- Chronometer
- Barometer
- Raymarine Navigation Package
- 2 x Raymarine Axiom XL 16" Touch Multifunction Display
- Raymarine RD424HD 24" 4kW 608mm digital radome radar
- Raymarine Evolution autopilot
- Raymarine AIS700 - Automatic Identification
- System Multi sensor (depth, speed & temperature sensor)
- Wind sensor
- GPS
- Raymarine Modular Dual-Station VHF Radio System Ray90
- Searchlight with control unit
- Electric Fog Horn
- Wireless autopilot controller
- 2x External camera with color and night vision (price per one)
- 8 kW hour Solar Panels

# AUDIO-VIDEO AND IT EQUIPMENT

---

## **Satellite and wireless internet**

- 5G/LTE Wifi antenna worldwide
- Starlink Maritime antenna preparation and installation

## **Saloon widescreen**

- 1x Widescreen LED TV 43" with installation (master cabin)
- 1x Widescreen LED TV 55" with installation (saloon)
- 1x Lifting system up/down (if possible depending on layout)

## **LED TV for cabins**

- LED TV 32" with installation (price per cabin)

## **Hi-Fi Audio system (Saloon Audio Video package)**

- 1x Denon 9.2 channel amplifier AV 8K with 3D Audio
- 5x Premium ceiling speakers (round)
- 1x Active subwoofer

## **(Outdoor Hi-Fi Audio package)**

- 2x Marine built-in speakers in the cockpit
- 4x Marine built-in speakers on flybridge
- 2x Marine built-in subwoofers (10') for flybridge
- 4x Marine built-in speakers on front terrace
- 2x Marine built-in subwoofers (10') for front terrace

# OTHERS

---

## SAFETY EQUIPMENT

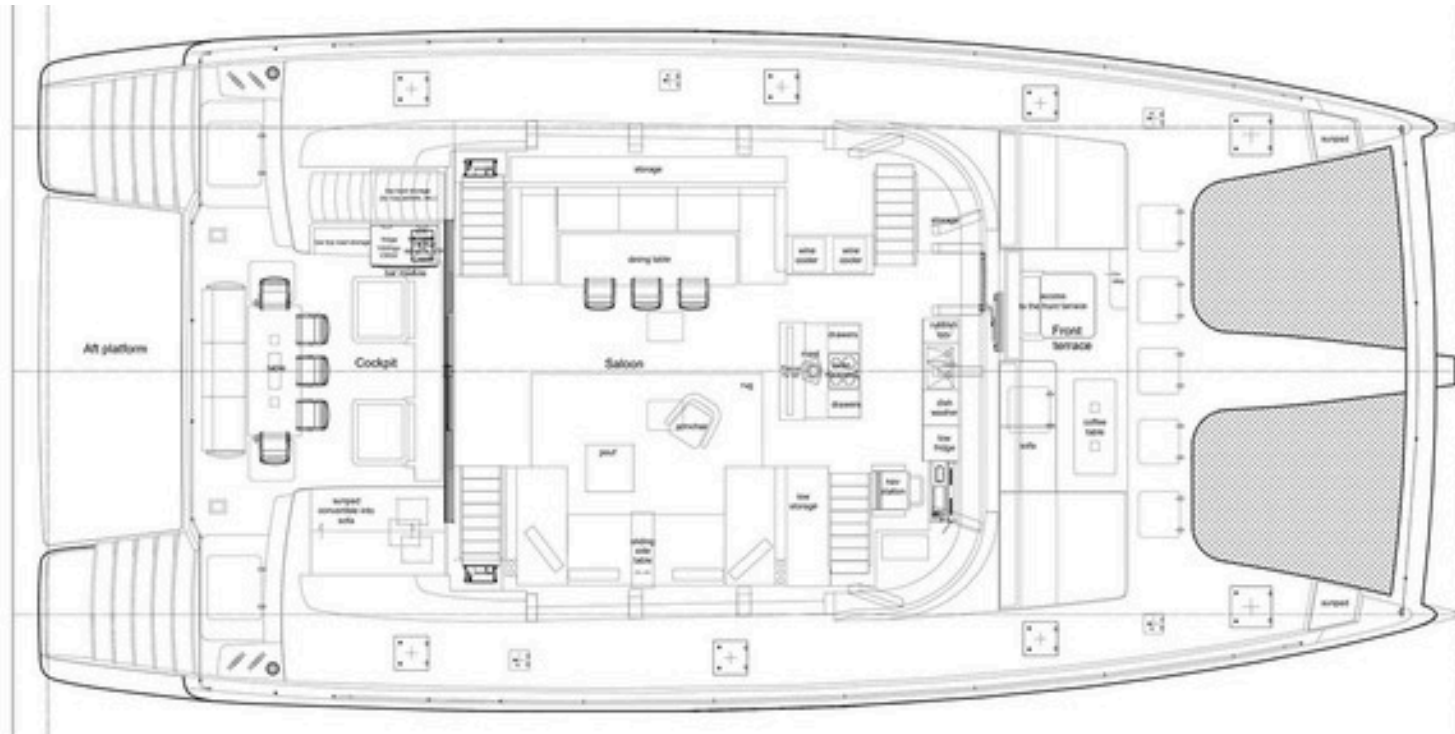

- Adaptation to commercial requirements MCA Small Craft Code (MGN 280 (M) Cat2)
- Automatic fire extinguishing system in the engine rooms
- Complete rescue equipment with life-rafts for 12 persons
- EPIRB (included in commercial adaptation)
- Gas detection system + alarm (included in MCA)
- Barrier System 330 kW

## OTHER

- Williams Sportjet 435 130hp
- Tender mountings
- Seabob F5 in serial red colour
- Seabob Rack
- Front deck tent - sun protection
